Summer Mentoring Program

Each year the Center hosts it's
Summer Mentoring Program.
The program runs Monday, Tuesday and
Wednesday from 9:30 am to 11:00 am
We have generous individuals ranging in ages from
Junior High to Senior citizens volunteering as men-
tors and children ranging grades 1-6 here to prac-
tice reading, mathematics, and sometimes writing.
No pre-registration is required. We ask all volun-
teers and the parents of the students to fill out an
emergency medical contact information form. The
form does not request any sensitive information,
simply names and contact information.
This program is completely non-mandatory.
If you can make it one day and not the next that is
alright, we would love to have you!
For more information please give us a call!
